

MUSIC UNLIMITED

The Studio of David Thomas

STUDIO CONTRACT

EXPECTATIONS, FEES, and MISSED LESSONS

Because music education is a present *investment in a lifetime of musical pleasure* I have set up the following policies regarding musical instruction:

1. As of January 1, 2022, my lesson fee is \$50.00 per week for a 30-minute weekly lesson, payable one month in advance, due the first lesson of each month.
2. A lesson missed due to an *emergency* might be rescheduled if requested by the student/parent. Missed lessons may be made up on the first Monday of the following month. However, no credit (or refund) will be given for missed lessons.
3. Last-minute cancellations (less than 24 hours), and "no shows" will necessitate charging the full lesson fee for the unused time reserved for the student.

The study of music is rewarding and enjoyable, but it is also **work!** Each student will move along as quickly as the assigned material is sufficiently mastered. I will never give a student a "passing grade" until the piece is *satisfactorily learned*, because the lessons are progressive.

We all have bad days or even bad weeks. I expect these to occur with all students. I will become concerned only if these "off lessons" continue into several weeks at a time.

If you have any questions or concerns at any time during the course of the year, I will be happy to discuss them with you.

I have read and agree to the terms of the Contract printed above.
